Glazes

CG900 Clear Brushing

Brushes

#3 Bavarian Round (Kala)

#0 Liner (Kala)

Tools

Cleaning Tool

Stylus

Sponge

Ultra Fine Point Sharpie

Tissue Paper

1. Clean Greenware in usual manner. Wipe down with damp sponge to remove any dust from piece.
2. With pencil copy pattern on tissue paper. Using the Ultra Fine Point Sharpie Marker transfer pattern to greenware by laying tissue drawing over the individual butterflies and trace over pencil lines with marker to transfer pattern. DO NOT use marker directly on ware.
3. With #3 Round brush fully load in light color and tip in dark color and stroke in the 3 strokes one time on each upper and lower wing. Start from outside and pull strokes to center. Smaller sections are 2 coats brushed on in the color indicated below.

Blue Butterfly

Green Butterfly

<u>Blue Butterfly</u> Load = Light Cerulean Tip = Sapphire Sm. Sections = Light Cerulean	<u>Green Butterfly</u> Load = Key Lime Tip = Laurel Green Sm. Sections = Key Lime
<u>Turquoise Butterfly</u> Load = Aqua Splash Tip = Deep Cerulean Sm. Sections = Deep Cerulean	<u>Yellow/Orange Butterfly</u> Load = Sunflowers Tip = Florida Orange Sm. Sections = Florida Orange
<u>Purple Butterfly</u> Load = French Lilac Tip = Purple Splash Sm. Sections = Purple Splash	<u>Green/Blue Butterfly</u> Load = Key Lime Tip = Sapphire Blue Sm. Sections = Sapphire Blue

Turquoise Butterfly

Yellow/Orange Butterfly

4. With #3 Round and Liner brush block in black areas with 2 coats of Cobalt Black slightly thinned. When dry add dots with stylus, of PSP602 White as shown in photos to complete butterfly. Using end of paint brush handle create dots in background front and back of dish with CC101 Cobalt Black slightly thinned.
5. With Stylus and CC101 Cobalt Black add some dots on wings as shown in photo.
6. Firing— Fire to witness cone "04" Bisque.
7. Glaze—With Soft fan glaze brush, apply 2 coats of CG900 Clear Brushing Glaze to piece.
8. Firing—Still and fire to witness cone 06 with a 20 minute hold.
