

Butterfly Bowl

This Technique is done on greenware using **Colors For Earth** products using Riverview Mold #RV2049 Butterfly Bowl.

Color Strokes

CS602 White

Color Concentrates

CC101 Cobalt Black

CC116 Florida Orange

CC123 Sunflowers

CC135 French Lilac

CC143 Sapphire Blue

CC150 Light Cerulean

CC152 Deep Cerulean

CC160 Key Lime

CC162 Laurel Green

LE001 Purple Splash or CC136 Purple Sage Pencil

LE003 Aqua Splash

Glazes

CSP01 Gloss Med. NT Clear

Brushes

#3 Bavarian Round (Kala)

#0 Liner (Kala)

Tools

Cleaning Tool

Stylus

Sponge

Ultra Fine Point Sharpie

Tissue Paper

1. Clean Greenware in usual manner. Wipe down with damp sponge to remove any dust from piece.
2. With pencil copy pattern on tissue paper. Using the Ultra Fine Point Sharpie Marker transfer pattern to greenware by laying tissue drawing over the individual butterflies and trace over pencil lines with marker to transfer pattern. DO NOT use marker directly on ware.
3. With #3 Round brush fully load in light color and tip in dark color and stroke in the 3 strokes one time on each upper and lower wing. Start from outside and pull strokes to center. Smaller sections are 2 coats brushed on in the color indicated below.

<u>Blue Butterfly</u>	<u>Green Butterfly</u>
Load = Light Cerulean	Load = Key Lime
Tip = Sapphire	Tip = Laurel Green
Sm. Sections = Light Cerulean	Sm. Sections = Key Lime
<u>Turquoise Butterfly</u>	<u>Yellow/Orange Butterfly</u>
Load = Aqua Splash	Load = Sunflowers
Tip = Deep Cerulean	Tip = Florida Orange
Sm. Sections = Deep Cerulean	Sm. Sections = Florida Orange
<u>Purple Butterfly</u>	<u>Green/Blue Butterfly</u>
Load = French Lilac	Load = Key Lime
Tip = Purple Splash	Tip = Sapphire Blue
Sm. Sections = Purple Splash	Sm. Sections = Sapphire Blue

4. With #3 Round and Liner brush block in black areas with 2 coats of Cobalt Black slightly thinned. When dry add dots with stylus, of PSP602 White as shown in photos to complete butterfly. Using end of paint brush handle create dots in background front and back of dish with CC101 Cobalt Black slightly thinned.
5. With Stylus and CC101 Cobalt Black add some dots on wings as shown in photo.
6. **Firing**—Fire to witness cone "04" Bisque.
7. **Glaze**—With Soft fan glaze brush, apply 2 coats of CSP01 Gloss Medium NT Clear Glaze to piece.
8. **Firing**—Still and fire to witness cone 06 with a 20 minute hold.
