

CGE517 Harvest Pumpkin (Matt Glaze)

Harvest Pumpkin is an **Opaque** Satin Matt glaze. Decorate on top of Harvest Pumpkin with Color Concentrates for a Majolica technique. Harvest Pumpkin is a **Non-Toxic** and **Food Safe** glaze, therefore the application should be smooth. Available in 4-oz., pints and gallons.

Firing Range: Fire to 05—06.

Harvest Pumpkin

Apply 3-4 smooth coats to 04 bisque.

This glaze has a matt finish.

If fired hotter this glaze might have a gloss finish.

Textured Pieces

1. Apply 4 coats to pumpkin areas.
2. Mix 50/50 Gloss Medium and CC160 Key Lime. Apply 2-3 coats to leaf and stem area. Shade with CC162 Laurel Green mix of Gloss Medium. Apply 1 coat of CG900 Crystal Clear over leaf and stem areas.
3. Shade both sides of crevices on Pumpkin area with pure CC186 Burnt Sienna.

Majolica

Harvest Pumpkin is a Matt glaze and does not move therefore you can paint on top of it as show here.

In this case the areas painted green were covered with 1 coat of CG900 Crystal Clear so that the leaves would be shiny against the matt pumpkin.
