

1. This project is on Bisque.
2. Transfer pattern with clay carbon.
3. Create a wash with **CS625 Saffron**. With Medium Sumi brush apply one coat of wash. Color will be uneven.
4. Using #5 Round or Small Sumi Brush pull in leaves with 2 or 3 strokes. Fully load with light color and tip in darker color using the following greens. Randomly choose 2 greens below to complete leaves with 1 coat.

**CS660 Lime Green**  
**CS668 Lettuce**  
**CS667 Bright Oasis**  
**CS657 Jade**  
**CS662 Vine Green**

5. **Purple Butterfly**—With #3 or #5 Round fully load in Conditioned **CS638 Orchid Bloom** (*Conditioned means add a few drops of CSP02 Designer Glaze Medium*) and tip into **CC136 Purple Sage** Conditioned with a few drops of **CSP02 Designer Glaze Medium** and pull in each section on wings pulling from the outside in towards the body. 1 coat. The small sections on the outside of large sections you just completed are filled in with **CS638 Orchid Bloom** mix.
6. **Yellow/Orange Butterfly**—With #3 or #5 Round fully load in Conditioned **CC123 Sunflowers** and tip into **CC116 Florida Orange** and pull in wing sections. 1 coat. The small sections on the outside of large sections you just completed are filled in with **CC123 Sunflowers** mix.
7. **Blue Butterfly**—With #3 or #5 Round fully load in Conditioned **CC150 Light Cerulean** and tip into Conditioned **CC143 Sapphire Blue** and pull in wings sections on blue butterfly. 1 coat. The small sections on the outside of large sections you just completed are filled in with **CC150 Light Cerulean** mix.
8. **Black Areas**—With #3 Round and Conditioned **CC101 Cobalt Black** apply 2 coats to the body, head, around wing sections of butterflies. With Liner brush apply antenna, feet and section off wing areas. With end of paint brush handle create dots on wings.
9. On each butterfly you can place a dot of the light color on lower wing as shown.
10. Apply washes of all greens inside mug.
11. Rim is **CS667 Bright Oasis** applied with 1" Foam Brush.
12. Apply 2 coats of **CG900 Crystal Clear** or **CSP01 Gloss Medium NT Clear** glaze with soft fan brush.
13. Fire to witness cone 06.
