G360 Key Lime

G362 Laurel Green

G386 Burnt Sienna

Brushes

Small Sumi Brush

455-0 CFE Class Brush

3600-2 Kolinsky Liner

Pipe all the lines with white paste.

If you want the grey shading on the left side you can add this on the back side of the glass with the DZ-203 Grey.

I added yellow, orange and 2 colors of greens in noodles and a blue stringer to accent the left and top edge.

Clear & White opal glass used.
